

One hundred years ago;; Or, The life and times of Rev. Walter Dulany Addison, 1769-1848;

Ge Jitle Reader :I thas been suggested to vie that my book requires a Preface or rather a xvord of apology that ,zvho am not an author, should offer to yoiin a book which, perhaps, is, properly speaking, not even a book, but simply a bundle of relics of another age that I have bound together luith the slenderest of threads. When I confided my MSS some time ago to a literary friend, he said that it luas very interesting material, and a distinguished publisher used the same expression, assuring me, hoivever, that my material was valuable and worthy of being published. Evidently this is only the material of a book, yet if you find in it but a small portion of the profit, as ivell as of the enjoyment, it lias afforded me, you zvill not ask for an apology.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
