

School Library Makerspaces: Grades 6-12: Grades 6a^12

An essential resource for intermediate, middle, and high school librarians that guides the planning, learning, and implementation of a school library makerspace. Explains how to transform school libraries always considered a destination for thinking and learning to also be the place of doing, creating, and producing. Supplies practical guidance on makerspace design, safety, instruction, budget, mentoring, and more. Includes a Think, Create, Share, and Grow section with each makerspace activity that supplies learning and enrichment resources, guidance, and step-by-step how-to instructions. Provides appendixes of national and local events; of ideas and supplies for makerspace activities; and of maker communities and maker resources.
